I threw my back out last week while I was away at my son and daughter-in-law's waiting to welcome a new grandbaby. Tried all the painkillers and nothing seemed to help it. The 2-hour drive home made it worse. Yesterday morning I got up did a hot bath with Epsom salts - still no relief. **Then I remembered I had Freedom patches and put one on where the pain was. 15 minutes later I realized I could sit down without pain or discomfort.** I will always have these in my travel kit going forward! *Deanne

"Joetta provided me with samples of the REM patch. I AM a good sleeper but these patches took me to a new level of DEEP sleep! *Cheryl
