# Meet Our JUNE 2026 Sponsor:

I believe financial success is about more than just accumulating assets — it's about creating harmony in your life, aligning your resources with your deepest values, and fostering a sense of purpose and peace.

Primerica Canada has been committed to helping families save and invest for their futures since 1986.

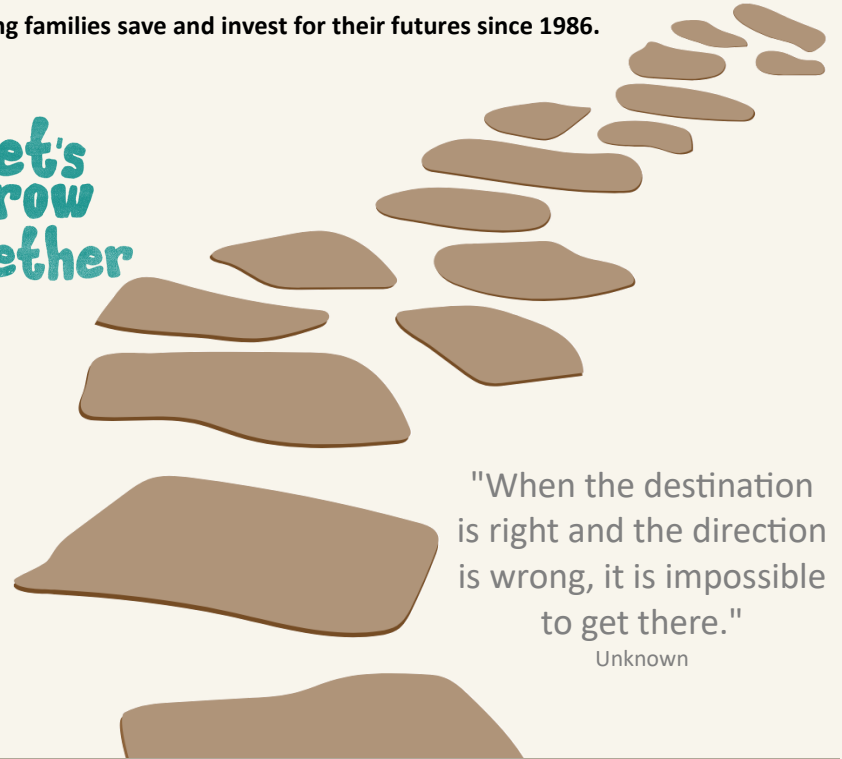

## Money affects every area of life...

Marriage, kids, careers, and even how we feel about ourselves. The biggest enemy is confusion. When you don't know where you're going, it creates unnecessary worry or stress.

## Create a Blueprint

- ▶ Schedule a meeting. It's 30 minutes. Let me learn about you and where you want to go.
- ▶ Create your unique financial blueprint and the simple steps to get you there.
- ▶ Implement the action steps.

Let's  
Grow  
Together

"When the destination is right and the direction is wrong, it is impossible to get there."

My goal is to help you understand and achieve financial independence in a way that's meaningful to you.
